

The future of Magna Park

MARCH 2026

Dear Neighbour,

I am writing to you on behalf of GLP, the owners and operators of Magna Park, Lutterworth. As you may be aware, Magna Park Lutterworth is home to more than 30 companies including Amazon, Asda and Wayfair and employs over 10,000 people from the local area. Over nearly 40 years, the park has continued to grow to meet demand, leading to the creation of the 200-acre Bittesby Country Park, and generating significant funding for local infrastructure and organisations

GLP will shortly be bringing forward plans for new development at Magna Park, including new employment space, an extension to Bittesby Country Park, a potential new visitor centre and police hub, enhanced walking routes and public amenities. The plans are in response to Harborough District Council's identified need for more employment space within the district as part of the new Local Plan.

We would like to invite you to a public consultation event where you can view the proposals, meet the project team and share your feedback.

The event will be held on Wednesday 25th March, 2026 from 3PM to 7PM at Magna Park Lutterworth 761, Lutterworth, Leicestershire, LE17 4XT (W3W: ///appraised.bring.processes) .

To attend a session, please scan the QR code below or visit our website mplutterworthconsultation.co.uk to book a time slot. Alternatively, please email us at info@mplutterworthconsultation.co.uk with your preferred time slot.

Kind Regards,

Gwyn Stubbings
